

# Chapter Three

## Categories of Spirits

Many times, strongmen (ruling spirits) work in conjunction with other spirits or groups of spirits. For the counselor's convenience, we have made the strongmen's names **BOLD and CAPITALIZED** when they're listed under another strongman category, as sometimes further deliverance is needed in one of these other areas.

The counselors need to familiarize themselves with these categories of strongmen and their underlings, cohorts, or family members (demons of lesser power). Occasionally the Lord will lead us to have the counselee repeat and renounce the whole list of demons under a specific strongman. This would be the simplest method to use if you are new in this field. Normally, the Holy Spirit will bring to mind which spirits to call out from under a particular strongman (once one is familiar with them). Sometimes the Holy Spirit simply has us command **all** of the whole family of cohorts or underlings to leave from under a specific strongman. It doesn't have to be complicated.

Don't be overwhelmed or intimidated by the length of these lists. Each list represents our most current research and experience on a specific strongman category. The lists are by no means exhaustive, nor do we imply that if one has a specific strongman, he harbors **all** those spirits on the list. He may harbor **many** or **very few**, and you may even discern some that are not on the lists. Please, use these lists mainly as a **reference point** for adding to your own experience.

We reiterate here that even though the Bible makes it clear that physical and mental infirmities are frequently the result of demonic activity, we cannot be dogmatic and say they **always** are. If you suspect other causes, please have the counselee seek medical advice before the actual deliverance.

### Categories of Spirits

**11a. Strongman: JEZEBEL** — *Revelation 2:20-24*: (First to be thrown into lake of fire.) In the Bible, Queen Jezebel is a prime example of control, power, authority, and dominance. In *Revelation 2:20* the false prophetess of Thyatira is labeled as "Jezebel". Both of these women are characterized by their attempts to control those around them through false teachings and the use of occult power. They both did their evil conniving with the pretense of good motives. This matriarchal, controlling spirit is now rampant in America with the feminist movement, and is in direct opposition to the order of authority in God's Word. In *1 Corinthians 11:3* — *Amplified*, it says: "But I want you to know and realize that Christ is the head of every man, the head of a woman is her husband, and the Head of Christ is God." **JEZEBEL** spirits are most frequently found in women, but sometimes inhabit men.

**11b. Strongman: AHAB** — *1 Kings 16:30-33; 18:18; 2 Chronicles 21:6* Even though King Ahab was a wicked King, his wife Jezebel, was even more wicked, conniving and controlling than he was. The Ahab spirit has come to be known as the opposite of a **controlling JEZEBEL** spirit. A person with an **AHAB** spirit **dislikes to use authority**. He **avoids confrontations and decisions**. He tends to be passive and avoids leadership rolls. The Ahab spirit is always trying to please others and keep things peaceful at all costs. The Ahab spirit brings destruction of the family priesthood as we see it in *1 Corinthians 11:3*. Lazy, passive males who allow females to dominate and control, and who refuse to take the spiritual headship of the house, open the door for the Jezebel spirits to dominate and control them, all the while despising and hating them for it. Ahab spirits are most frequently found in men, but sometimes inhabit women.

After deliverance from the spirits of **REJECTION**, which includes the wounded spirit, (resulting from hurts and wounds of the past), the counselor needs to pause and pray for the healing of that wounded spirit in the counselee.

Have counselee repeat after counselor: "Lord Jesus — You know everything — that has happened to me — since the time I was conceived. — You know all about the wounds, pains — griefs and sorrows — that I've suffered — throughout my entire lifetime. — Many of these inflictions — I had no control over — but I must admit — that some of them — could have been caused — by my own rebellion. — In order for you to heal me — of a wounded spirit, — as an act of my own will — I choose to forgive everyone — who has caused these wounds and scars — and I also forgive myself — if I have caused any. — I choose to put all my unhappy memories — into the sea of forgetfulness — that they be remembered no more. — I choose to be comforted — and loved — by you, Lord Jesus. — Comfort and heal my wounded spirit. — Put your arms around me — and heal every area, — every scar of rejection and hurt — that I have ever sustained — from the time of conception — until now. — Forgive me for hanging on — to any of these wounds, — pains, griefs and sorrows. — I choose to release them, — and I choose to receive — your healing balm of Gilead — in all of these damaged areas. — I reclaim all the ground — I've ever given the enemy, — all the cankerworm (devil) has stolen. — I renounce Satan and all of his works — and I forsake all allegiance to him. — I choose to serve and worship you — the Lord, my God — and you only will I serve. — I praise you — and thank you Lord — for healing my wounded spirit — and erasing — all of my unhappy memories. — In Jesus name — I now command — all remaining spirits — that came in with these wounds — from the time of conception, — including the birthing trauma, — until this very day — to leave me now — never to return.

"From this day forward — I choose to forget — those things — which are behind me, — and reach forth — unto those things — which are before me — according to Philippians 3:13."

**Expanded MARTIAL ARTS category** — (ANTICHRIST and DIVINATION are the strongmen over martial arts and yoga)

The martial arts call on supernatural powers that are not of God as in *2 Peter 1:3* and *Romans 13:1*. "Martial" refers to "military". Martial arts promote the use of the body as a defensive or offensive weapon. According to Bob Larson's *New Book of Cults*, martial arts, which include the use of yoga, are ancient spiritual disciplines designed to harmonize the body with the energy forces of the universe in order to achieve religious enlightenment. The source of power for their paranormal feats is said to be ki (or ch'i), widely known in the occult arts as the "life-energy-creative force of the universe." This power source is obviously not from the God of Christianity, but from the god of this world, Satan.

Because of the popularity of martial arts and yoga, and the inroads they're making with our youth (even in Christian circles!), we're including this special list on both martial arts and yoga at the end of this strongman section. Martial arts spirits are very powerful and violent. Be sure counselors are well-prayed up before tangling with them.†

**Suggested Renunciation Prayer for Martial Arts and Yoga:**

Have counselee repeat after counselor: "Father, — I come to you now, — and confess to you — that I have delved — into martial arts and yoga — which God looks upon as sin — because they are both rooted — in the philosophy — of Eastern Religions. — I did it to seek protection, — prestige and power, — and possibly to hurt others. — I also took oaths — pledges and vows — which are contrary — to God's commandments. — Lord, — forgive me and cleanse me — in Your blood. — I now take the sword of the Spirit, — which is the Word of God, — and I cut and sever myself — from all bondages and curses, — which I may have received — through taking these ungodly oaths, — pledges and vows, — and practicing martial arts and yoga. — In Jesus'

**MIND CONTROL** (Tuschon) — When working in martial arts, **mind control** demons often attack workers' minds with terrible pressure, hindering the Holy Spirit in the area of discerning of spirits. **Occult mind control** demons are even more powerful than mind control ones. They hide and keep the doors open for the departing demons so they can return. They are likened to an extra battery, when at work, because they are thought to energize or give other demons more power. Counselor prays: "**Heavenly Father, I ask you to send Your ministering and warring angels to seal off every door through which mind control, Tuschon, occult mind control and their cohorts can draw strength and receive aid. I also ask you to send angels to cut and sever all communication lines between these spirits and their ruler princes, and with Satan himself. We ask this in Jesus' Name and by His shed Blood.**"
